

# Job opportunity: Director of Policy and Partnerships

**Location:** Midlands, UK

**Salary:** Grade 16 £92,764 -rising to £97,302. Plus £4,395pa + lease car subsidy or cash alternative.

**Contract Type:** Permanent – subject to Government funding

**Closing Date:** 09.00hrs Monday 22 April 2024

Do you have a strategic mindset with a passion for leveraging opportunities to drive economic growth across the Midlands? Are you passionate and skilled in consensus-building and able to navigate complex proposals whilst gaining buy-in from stakeholders?

## About Us

The Midlands Engine Partnership is at the forefront of driving growth and economic transformation in the Midlands. We bring together public and private sector partners to amplify our region's potential, enhance capabilities, and create added value for our communities and businesses.

## About the Role

We are seeking a dynamic and strategic Director of Policy and Partnerships to join our team. Reporting to the Chief Executive Officer, you will play a pivotal role in ensuring that national policies support regional growth and align with partner priorities. As a key member of the Midlands Engine secretariat team, you will work closely with senior leaders to deliver our Business Plan objectives through effective partnership management and strategic initiatives.

## How to Apply

To apply for this role, please submit your CV and a cover letter of no more than 2 sides A4 outlining your relevant experience and why you are interested in joining the Midlands Engine Partnership.

- Please send your application to [Johanna.Lane@midlandsengine.org](mailto:Johanna.Lane@midlandsengine.org)
- **Closing Date:** 09.00hrs Monday 22 April 2024
- **Interviews to be held:** 03 May 2024

The Midlands Engine Partnership is committed to promoting diversity and inclusion. We welcome applications from all qualified individuals regardless of their background. We encourage candidates with disabilities and those from underrepresented groups to apply.
